

WHEN IT'S INSANE  
HOW MATURE KIDS ARE  
KIDNAPERS FOR  
THEIR AGE.

I WISH THE WORLD THEMSELVES  
WELL EVENTUALLY WOULD  
CHANGE A BIT MORE.

ISN'T IT MORE IMPORTANT TO KNOW  
WHAT A PERSON STUDIED THAN WHICH  
SCHOOL THEY WENT TO? PLUS,  
IT'S WAS MORE IMPORTANT TO  
SEE HOW THAT PERSON WAS MAKING USE OF  
WHAT THEY LEARNED IN THEIR SCHOOL.

AND WHY DO A LOT OF PEOPLE  
HAVE TO LIE ABOUT THEIR  
ACADEMIC BACKGROUND?  
IT'S PROBABLY NOT ONLY THEIR PROBLEM.  
THIS SOCIETY REALLY SEEMS TO  
HAVE SOME KIND OF INSECURITY  
COMPLEX ABOUT PRESTIGE.

# JINGLE JUNGLE

76

THE CONTROVERSY SURROUNDING EDUCATIONAL BACKGROUND CONTINUES TO INTENSIFY.

ACTUALLY, THIS DEBATE ABOUT EDUCATIONAL BACKGROUND IN SOCIETY HAS BEEN GOING ON FOR AGES.

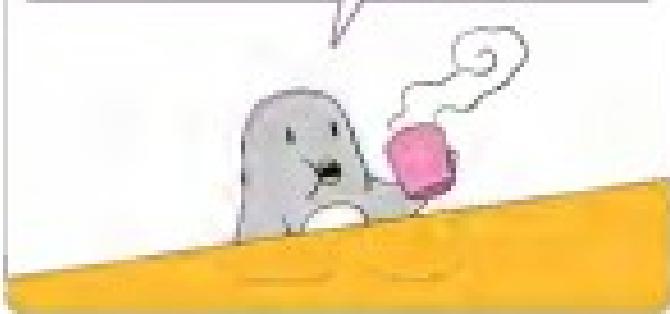

PEOPLE ARE SO WEIRD  
WHY ARE THEY SO CURIOUS  
ABOUT WHICH SCHOOL  
SOMEONE GRADUATED  
FROM?

WHAT'S EVEN WEIRDER IS  
THAT THEY DON'T EVEN ASK PEOPLE  
WHAT THEY STUDIED- ALL  
THEY WANNA KNOW IS  
WHICH SCHOOL THEY WENT TO

IT'S SAME FOR THE EDUCATION IN GENERAL.  
MOST PEOPLE ONLY SEEM TO USE EDUCATION  
AS A TOOL TO GET INTO UNIVERSITIES.  
THEY DON'T ASK THEMSELVES,  
WHY THEY'RE DOING IT.  
CAN IT REALLY BE CALLED EDUCATION  
IF THEY USE UP THEIR CHILDHOOD  
JUST TO GET INTO UNIVERSITIES?

SEEING HOW MANY PEOPLE STRUGGLE  
IN THE REAL WORLD, AFTER THEY REALIZE  
HOW EMPTY UNIVERSITIES CAN BE,  
IT'S LIKE WE'RE LIVING IN A COMEDY  
MAJOR ENTERTAINERS JUST FOLLOWING  
A SONG IN THE FRONT PLAYING  
A MAGIC FLUTE.
